## American Airlines 24-Hour Cancellation Policy

One of the most passenger-friendly features of the American Airlines cancellation policy is its 24-hour rule.

### Here's how it works:

- If you book a flight at least 2 days before departure, you can cancel within 24 hours and receive a full refund.
- This rule applies to all fare classes, including Basic Economy, Main Cabin, Premium, Business, and First Class.
- You must cancel the booking within 24 hours of purchase, regardless of how you booked — directly on American Airlines or via ASAPTrips.

### Example:

Booked your flight on Thursday at 5 PM? Cancel anytime before Friday 5 PM for a full refund — no cancellation fee.

## American Airlines Cancellation Policy After 24 Hours

Once the 24-hour window closes, the American Airlines cancellation policy varies based on your ticket type.

### 1. Basic Economy Tickets

- Basic Economy fares are non-refundable and non-changeable after the 24-hour grace period.
- However, you can still cancel and receive trip credit minus cancellation fees in certain cases.
- These travel credits can be applied to future American Airlines bookings.

### 2. Non-Refundable Tickets

- Non-refundable fares are eligible for travel credit (not cash refunds) after a cancellation.
- American Airlines will deduct applicable cancellation fees and issue you credit for future flights.
- These credits must be used within 12 months from the original booking date.

### 3. Refundable Tickets

- Refundable tickets allow you to cancel anytime before the flight departs and receive a full refund to your original payment method.
- There are no cancellation charges for refundable fares.

### 4. Award Tickets (Miles Redemption)

- You can cancel award tickets anytime before departure.
- Your miles will be redeposited into your AAdvantage account without penalty under the new American Airlines refund policy.

## American Airlines Cancellation Fees 2025

American Airlines has simplified its cancellation fees to make the process fair for all travelers. Let's break it down:

Ticket Type	Cancellation Fee	Refund Type
Basic Economy	Non-refundable	Trip Credit
Non-refundable	\$0	Trip Credit
Refundable	\$0	Full Refund
Award Ticket	\$0	Miles Redeposited

### American Airlines Same-Day Flight Change Policy

- Same-day flight change is allowed for eligible fares.
- You can request it within 24 hours before departure.
- For domestic routes, AAdvantage members can often change their flight for free.
- For international flights, small fare differences might apply.
